This has been a year of great change and achievement for our school as well as our nation. We have tried to depict here the activities of the school this year, and to honor those who were outstanding in scholastic attainment, leadership, athletics, and student organizations.

ward

We hope you will receive this 1951 RAINBOW, its merits and demerits, as we have tried to present it — a record and reminder of some of the events of the past year. Any enjoyment you may receive from it will be ample reward for those who have worked to bring it to you.

of his wise and sympathetic understanding of young people. . .
of his eager interest in the Academy of Richmond County. . .
of his untiring efforts for its advancement. . .

We consider it fitting that the 1951 Rainbow should be dedicated to Mr. Elroy DuPuis. His appreciation of us when we are good and his tolerance of us when we are not so good have won our affection.

Sophomore Class Prophecy

TIME 1971 — PLACE — Luxurious Suburban homes in Honganville at the corner of Rufo Street and Ghingold Avenue.

"I was just thinking how much things have changed since we graduated, twenty years ago. For a while things went as expected. Graybill became president; and, with Brett as Secretary of State, the Russians soon came to terms. An international army was formed under Bill Thompson and Wesley Bailey. Wilson Bryan and Dick Myers became millionaires as the result of an oil strike in Hephzibath and scientific progress continued with the perfection of the to operation for ptomaine by Walter Rose and Harvey Stirewalt.

I became editor of the "Talking Turkey" and assisted Sir William Branan in the publication of the account of his search for King Solomon's Mines around Waynesboro. Bill Dye and Barinowski made the first trip to the moon and discovered Thurston Thompson and Drew already there, surrounded by moonwomen. Connie Tant became famous for her portraits of Mary Joe and Mrs. Heffler, the international spies, and Lataner Folk won reknown for his sketches of Bowery Characters like Norman Williams and Ralph Wong. Every 4th of July we are treated to Alice Aaronson and Jane Ellen Clontz's rendition of Senator Kaufman's famous speech, "The Harrisburh Address." The only blots on the record were Tally, who wound up playing the piano at the Zoom Club, and Havird, who went to sea and became a smuggler.

Then came the revolution! The women of the world rose and threw us out of every job except being husbands. With Theo as dictator and Barbara Owens and Caroline McGahee heading the secret police, we were helpless. Gladys and Loes Sue took over science but succeeded only in producing a Toni for bald headed women. Ellen Martin, W.C.T.U. leader got Clarks Hill changed from "that bad word" to darn. Carolyn Turner and Maggie Bowick were named on the Olympic Canasta team, and Billie Mullan and Shirley Pardue became the heads of the C.I.O. and U.M.W. respectively. Admiral Dasher finally captured Havird and his henchmen, Summer, Carton, and Grammer.

I, however, have enjoyed this revolution. I have my sixteen children to do all the work, and when I've seen Eugenia off to the office, I can spend my day editing Mr. Huffman's GREAT work, THE LIFE OF SQUANTO. Right now I'm going to put out the garbage for Baggott and go back to bed.

Signed,

The Third Man

Last Will and Testament

Junior College of Augusta

We, the Sophomore Class of the Junior College of Augusta, 1951, being of tired physical health and warped mind, do hereby declare this our last will and testament.

- Item 1. I, Lloyd Havird, do hereby leave to Gene Kelly my ability to ask dumb and simple questions at the most unpredictable times.
- Item 2. I, Caroline McGahee, leave to Betty Norvill my ability to talk teachers out of Monday tests in hopes that she will do better than I.
- Item 3. I, Voss, leave my easy charm, my way with women and my gray hair to John Langley, who also raises ulcers as a hobby.
- Item 4. We, Margaretha Bowick, Anne Dasher and Eugenia Hiers, leave to Glenda Rooks our ability to talk in the library and get someone else thrown out for it.
- Item 5. We, Sumner and Mac Carlton, bequeath to Senior Howard the Pluperfect Tense in hopes that he will be able to find a use for it.
- Item 6. We, the Physics Class of 1951, do hereby leave LeConte Talley's black, superpowered, streamlined "Model A" to Professor Talley so that he may be able to "drive on."
- Item 7. We, Alice Aarsonson, Jane Ellen Clontz, and Lois Sue Hale, do will and bequeath to Sara Galloway, Lee Orander, and Jackie Shipman our outstanding ability to study together and learn **nothing!**
- Item 8. I, Bill Branan, do hereby leave to Mr. Dolyniuk one case of "Hadacol" so that he may be able to pep up his classes.
- Item 9. I, Geradline Pardue, do leave to Footie Etheredge my ability to travel to the lunchroom everyday fifth period even though I have an English Class.
- Item 10. We, Bob Baggott and Claude Graybill, leave our blinding speed to Jacky "Sweetheart" Rodgers and Joel "Rabbi" Cohen so that they can pace the 1952 basketball team to another undefeated season.
- Item 11. We, Wilson Bryan, Bill Dye and Walter Rose, who have been kicked out of the library everyday for the last six years, do hereby, for Miss Bailie's sake, leave!
- Item 12. I, Tommy Folk, leave my ability to draw, especially flies, to Bert Anderson and all good commercial students.
- Item 13. I, Martha Cawley, do will and bequeath to Bertie Coursey my inherited ability to get along with Mrs. Hall.
- Item 14. We, Connie Tant, Laura Gauthier, Gladys Meire and Carolyn Turner, highly Sophomores having English in Room 209, do leave to all lowly Freshmen with the same fate our choice box seats at "Sutton's Speedway"—races held every Tuesday, Wednesday and Thursday—starting time promptly at 12:35.
- Item 15. We, Pat Mangum and Barbara Owens, do will and bequeath to any two industrious Human Biology students our ability to leave lab at three o'clock in order to get a ride home.
- Item 16. I, Joyce Rushton, do will and bequeath to DeBrada Brown my "A's" in Spanish.
- Item 17. We, the Sopohomores of Zeta Rho Sigma Sorority, do will and bequeath to the Freshmen of the same sorority our ability to all talk at once, disagree on every matter, and then all pile in one car and go home.
- Item 18. I, Billie Mullan, do will and bequeath my ability to be noticed and heard at all times to Gwynn Odum, who always tiptoes around meekly and unnoticed.
- Item 19. I, Shirley Pardue, do will and bequeath to Wanda Matthews my ability to stay at home and yet get an excuse from Mr. Hardy.
- Item 20. I, Jean Bowick, do will and bequeath my desk in shorthand class to Betty Higgenbotham in hopes that she will **enjoy** it as much as I did.
- Item 21. I, Ethel Smith, do will and bequeath my position as Miss Smith's secretary to any capable student.
- Item 22. We, Betty Jenkins and Baby Knox, do will and bequeath to Any J.C.A. Freshman our ability to misbehave in class (especially Commercial Law) and still exempt.
- Item 23. We, the Sophomores in the Naval Reserve, leave.

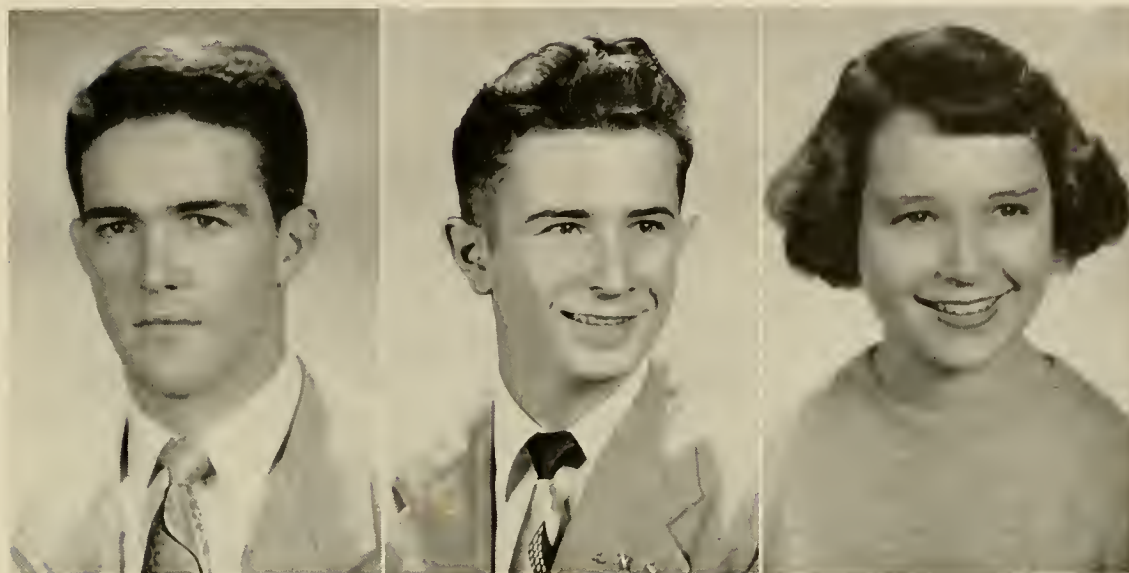

Signed, sealed and delivered (C.O.D.) in this year nineteen hundred and fifty one.

Last Will and Testament of the Senior Class of 1951

We, the class of 1951, having been the first high school seniors to partake of the joys of co-education in Augusta, do hereby make the following bequests to the underclassmen who will find themselves filling our shoes Next Year and occupying the well-worn benches in the fifty odd (some of them extremely odd!) classrooms of old ARC.

Without further ado the graduating class does herewith leave the following generous bequests:

- Item 1—We, Betty Beeson and Sarah Anne Owen, leave our unrivaled ability for being caught on the third floor of the YMCA to Dot Owen and Frances Hett in hopes that they can think of better excuses than we did for being there.
- Item 2—To his brother Jimmy, Danny Cook leaves his football pants, so that he will be assured of a nice warm seat on the bench next year.
- Item 3—I, Mary Whittaker, bequeath my everlasting worry of: "Will I ever get out of high school"—to anyone who is as doubtful as I was about the answer.
- Item 4—Bob Jump leaves his unfailing ability to knock his hat off with his sabre during parades to Prentice Peabody.
- Item 5—We, Helen Harris and Betty Bennett, do bequeath to the incoming Tri-Hi-Y Presidents our gavels, in hopes that they will develop muscles in their right arms as strong as ours.
- Item 6—I, Paul Higginbotham, leave my electric buzzer to Jack Hall in hopes that he will "buz around" as I did.
- Item 7—I, "Chuckles" Havird, bequeath my chuckling chuckles to any chuckler who can chuckle.
- Item 8—I, Ronald Hobson, leave the sparkling diamonds upon my shoulders to Keith Charles.
- Item 9—I, Shirley Heath, do will to Beverly Bassford my ability to leave home at 8:45 and still arrive at school in one piece at 8:45.
- Item 10—I, Bunny Cohen, hereby leave the distinction of being the only talking rabbit on the track team to anybody who can qualify for it.
- Item 11—To Kitty Dessauer, we, Betty Cohen and Mary Ann Cosey do will and bequeath our unequalled ability for seeking vital information from the schedule cards in the office, so that she will be a walking information bureau like us.
- Item 12—I, W. C. Cook, leave my good looks to Billy Fair in hopes that it will enable him to get a date.
- Item 13—I, Caroline Kuhlke, do will and bequeath the stepladder that I use to reach my locker to Beverly Farr.
- Item 14—I, Billy Philpot, bequeath my Junior Birdsmen's tin wings to Harvey Brown in hopes that he will keep his wing tips off the ground.
- Item 15—We, Caroline Davis, Mariam Hill and Angie Drew, leave our ability to Sweet Talk teachers and still fail to some poor Tubmanite.
- Item 16—To Billy Bass, Richard Barrow leaves all his abilities on the gridiron.
- Item 17—I, Libby Crouch, leave my uncanny ability to accidentally run into Frank Babbitt everywhere I go to whoever enjoys it as much as I do.

BEV BLEMKER

Senior Class Prophecy of 1951

TIME—the future

PLACE—Milledgeville

We enter a padded cell. There is a little fat man inside, with strange eyes that speak of strange things like love, adventure, and third-string varsity. The man speaks, "Though I sit here, confined to this cell, I'll never forget what happened last year. I easily escaped and boarded the train for Augusta. "All out for Augusta!" the conductor cried. At last I was nearing my destination. Though there had been a few curious glances from the passengers, everything seemed to be all right so far. But as I stepped off the train, I was approached by Geraldine Harper and Bob Lamar, wearing white coats and carrying butterfly nets. I turned to flee but tripped and hit my head on the curbstone. When I recovered, I was standing in front of Home Folks. I immediately recognized Tommy Herndon, a little fatter, but the same old Tommy. I almost asked him if he had run into any referees lately, but thought better of it. Tommy was excited because Danny Cook, Larry Walker, and Eldon Dye, renowned moonshiners had had a run in with the police in Raleigh. All escaped but Eldon, who couldn't run fast enough. As Tommy moved away muttering something about bells, I bought a paper and saw that Richard Barrow now owned his own alligator farm, and that Bev Cochran had taken over the A. R. C. Track Team. Speedy finally retired. On the back page was a notice for a bout between Katie Hill, southeastern wrestling champ, and Joanne Harbin, Miss North Augusta. I also noticed that Bill Dye, basketball referee, had been caught in a bribe given him by Starkey Flythe, head of an international gambling syndicate.

About that time Paul Hair approached. I gave him the old J. B. salute and started talking. Paul told me that Mickey Crouch had finally made good as balcony usher at the Rialto. He said Connie Tabb was still looking for a man. Some people never learn. He also said that Ronald Hobson, Hoot Gibson, and Lyman Williams were still somewhere in Korea, although the war had been over for twelve years. These second lieutenants never learn, either. I paid Paul a fond farewell and boarded a bus for the hill. I sat down in what I thought was an unoccupied seat, but soon discovered Jack Hodges sitting under me. After I scraped him up and set him in my lap, he said he and Stanley Kent finally made the Globetrotters. Betty Bennett had just come to Augusta, fresh from her job as society editor of the Dogpatch Gazette. He told me Sarah Owen had a nervous breakdown right after the 1951 Rainbow came out and hasn't been quite right since.

And finally, as the bus approached Kings Way Drug Store, Jack said that Ed Brandon and W. C. Cook had manned the first rocket to the moon in 1955. They haven't been heard from since—found some moonwomen, I guess. I got off the bus and was nearly run down while crossing the street. I didn't recognize the driver as A. G. Vernon until I caught the aroma of wood alcohol. I saw a new joint, Wardlaw's Place, had just been built. I guess Louise made good after her supersalesmanship with the annual. I entered and noticed Nath Hayes, with his feet propped up on a table, sipping a soda. After the deluge was over, I let down my umbrella and went over to speak to him. He said Richard Hixon had won the 9-ball championship from Hoover Lanier. As Nath slurped, I thumbed through a sports magazine and saw that Suzie Morris, June Myrick, Kathleen Smith and Anne Oxner had made the All-America Football team. Gad, what is the game coming to? Nath said David Voss had made a slight scientific slip up at the H-Bomb Plant and South Carolina and parts of Georgia had seceded from the union.

As I was admiring the stuffed Goodwin hanging over the calendar with Marilyn Chambers' picture on it, I noticed Mariam Hill tending the bar. She told me that Bev Blemker was Augusta's new political boss and Fulcher had finally gotten a job as A. R. C. water boy. Pearson got a severe case of the blacks and nearly died. I left just as the floor show, featuring Marcella Howard and Martha Hemstreet as fan dancers, started. Jack hall was there, and hasn't missed a performance yet.

Just as I arrived downtown in front of the Miller, where Bunny Cohen was starring in a revival of "Harvey", all went black, and shortly I found myself in bed, looking up at Dr. Zack Kilpatrick. He said that I had suffered a slight confusion of the brain, but would soon be well enough to return to my cell and my basket-weaving.

AWARD FOR 1950 — MAJOR HARRY C. SHERMAN

The Sheridan Sabre

The Richard B. Sheridan Memorial Sabre is an award made annually by the Reserve Officers Association to the Cadet Officer of the ROTC UNIT who is judged to be the best soldier. The sabre is awarded in memory of Richard Brinsley Sheridan, honor graduate of the Academy who lost his life in the football uniform of West Point.

In order for a cadet to win this award, he must be not only an outstanding officer but also a capable and versatile

student. Although there are no rigid requirements, custom has been established that the recipient of this award be a conscientious student, a proficient athlete, and a leader in class activities. The most conspicuous similarity of the boys who have won this award is their character. Without exception these students have been first and foremost gentlemen. Thus the Sheridan Sabre has come to be the most coveted award that any Academy student can receive.

RICHARD HIXON

In Memoriam

The memory of Richard Hixon will always be held in close association with the character and manhood of Richmond Academy. Though the years may shadow the sadness of his passing, there is left for us an ideal — an ideal of Richmond men.

To us, who knew and loved him, Richard will always be the true student, the youthful athlete, the clean sportsman. His years at Richmond, which formed a large share of the years that were all too few, are the heritage of his school.

Since in life Richard was such an active force in shaping the destinies of his teams and his school, he is placed here among his fellows; and their history, the following book of Athletics, is affectionately dedicated to his memory.

Resume of Football Season

Although outweighed, Richmond played a hard fought game against G. M.A. on September 15. G.M.A. scored in the second quarter and Richmond was stopped on the two-yard line as the half ended. Standouts were Johnson, Menger, James, Dozier and Babbitt, in the backfield; Cochran, Eubanks, Hobson and Fulcher, in the line, in a game ending 7 to 0 for G.M.A.

On September 22 Glynn and Richmond met in a game that was a thriller from beginning to end. With Herndon scoring twice and some beautiful running by Johnson, Richmond defeated the "Red Terrors" 20 to 6. Menger, Dozier, Eubanks and Cochran played their usual rugged game.

On September 29 Richmond travelled to Charleston to take a 14 to 0

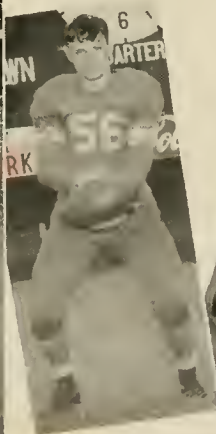

victory from the Charleston team. After a slow start the team began "clicking" as "Bull" Dozier and Frank Babbitt scored the winning touchdowns. Menger was excellent in the backfield and the whole line turned in a fine performance.

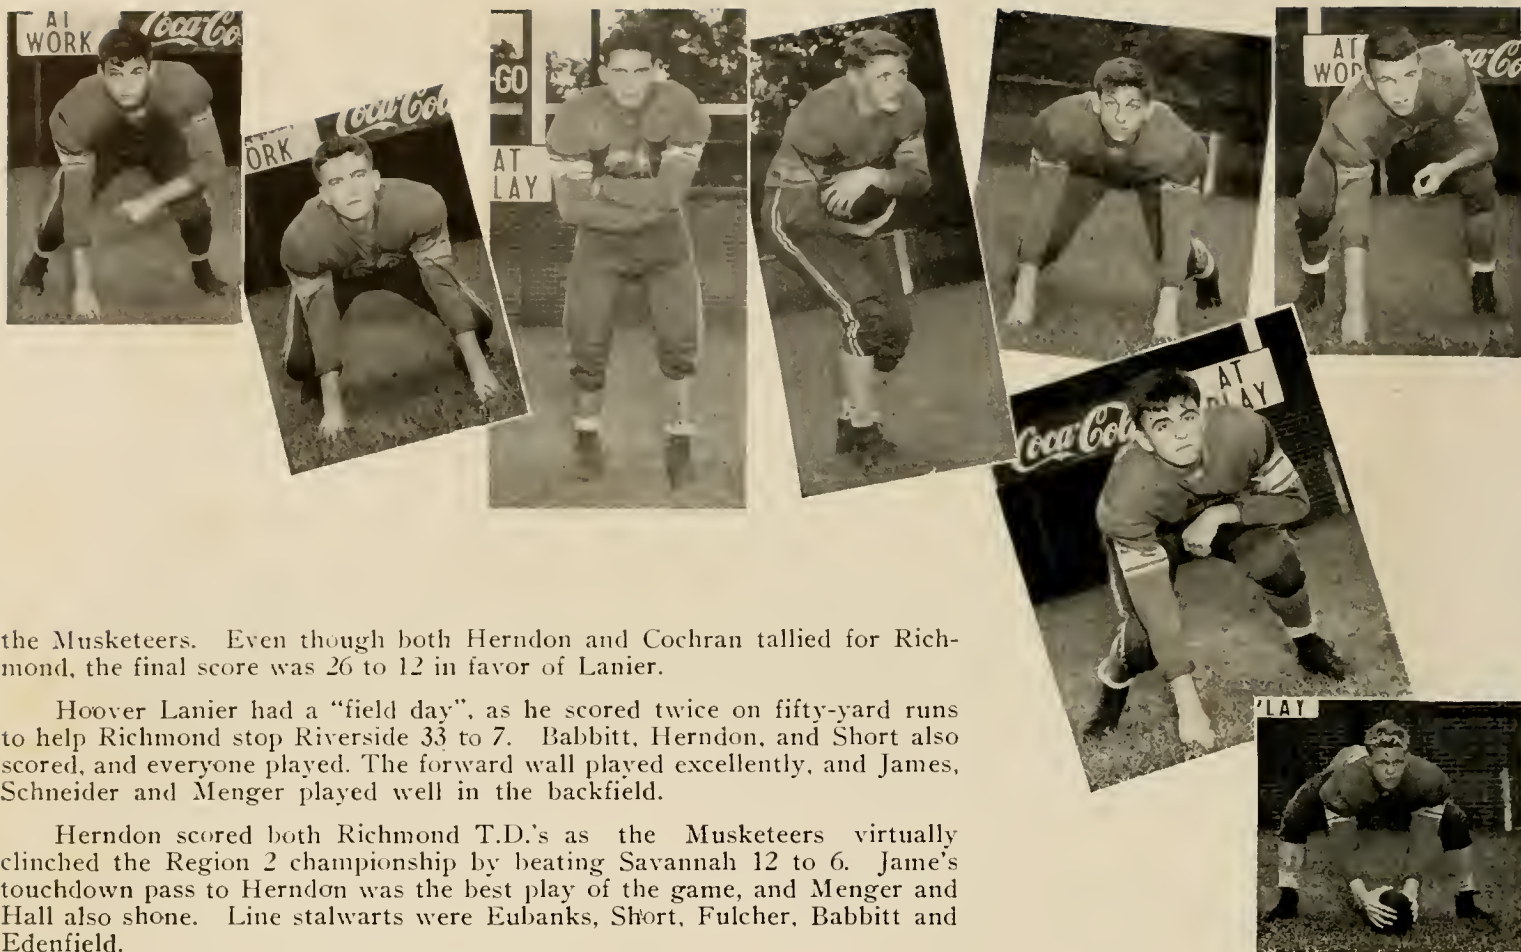

After making the long trek to Columbus, Richmond failed to score until the second half, when Dozier and Johnson sewed up the game with a touchdown apiece. Menger and Babbitt also showed up well in the backfield, and Langdon Adkins did a fine job holding the line. The final score was Richmond 13 and Jordan 7.

It was Richmond's day to "Mow 'em down" as the Musketeers "walloped" Commercial of Savannah, 45 to 13. Everyone played, and Richmond ran all over the field. Johnson and Lanier scored twice, and Frank Babbitt, Dozier, Menger, and Charlie Wall, tackles, "racked up" one apiece for a team that couldn't be stopped.

Richmond won a hard-fought game over Benedictine of Savannah on October 20. Although they had trouble stopping B.C.'s star, Joe Herpin, the Musketeers were not to be denied, as Johnson, James, Herndon, and Menger each tallied to bring home a 26 to 12 victory and put the boys from Richmond one step nearer the region championship.

Richmond played good ball, but Lanier was just too much for us to handle. Muddled signals, injuries, and "Red" Whitten spelled defeat for

the Musketeers. Even though both Herndon and Cochran tallied for Richmond, the final score was 26 to 12 in favor of Lanier.

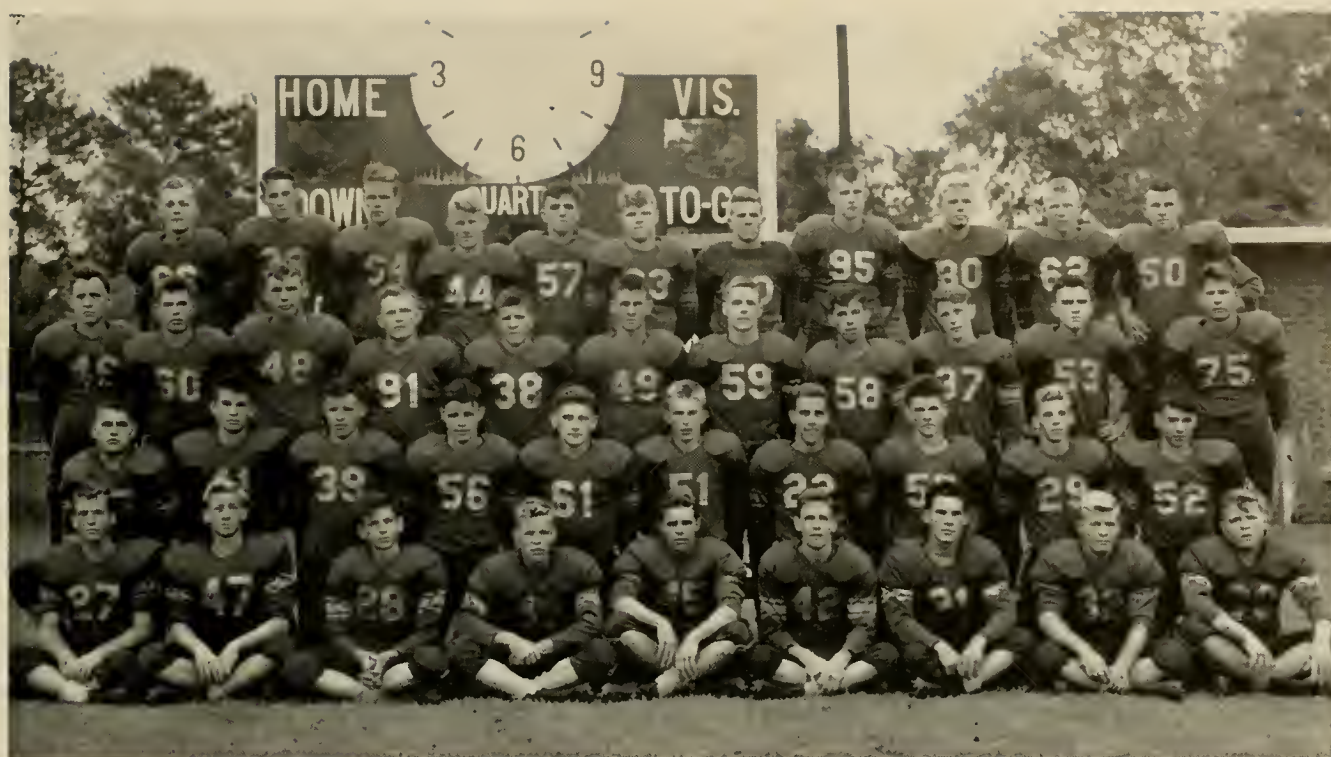

Hoover Lanier had a "field day", as he scored twice on fifty-yard runs to help Richmond stop Riverside 33 to 7. Babbitt, Herndon, and Short also scored, and everyone played. The forward wall played excellently, and James, Schneider and Menger played well in the backfield.

Herndon scored both Richmond T.D.'s as the Musketeers virtually clinched the Region 2 championship by beating Savannah 12 to 6. Jame's touchdown pass to Herndon was the best play of the game, and Menger and Hall also shone. Line stalwarts were Eubanks, Short, Fulcher, Babbitt and Edenfield.

After a beautiful scoring run by Stan Johnson of Catholic High, Richmond came back to score and romp 26 to 6 over their arch rivals. The line, with Hobson and Anderson at the ends, held like a wall, and Lanier, Menger, Johnson, and Herndon ran around the ends. The entire team played well. Menger won the most-valuable-player award.

It was the same old story as Richmond met Lanier again in the state semi-finals. Richmond played a fine game, with Menger and Anderson scoring for the Musketeers, but Lanier showed its power by piling up 25 points, to Richmond's 14.

A.R.C.'s cindermen had a successful season in 1950 winning in meets with Aiken and Louisville; emerging the victor by $\frac{1}{3}$ of a point against Rock Hill, S. C.; taking Greenwood as Gene Kelley missed the school record by one inch in the High Jump; losing to a powerful U. of Georgia Freshmen team with Jack Hall and Bev Cochran copping first places in the vault and 440 yard dash respectively; and lastly against G.M.A. with Joel Cohen carrying off scoring honors in the 220 yard dash and Broad Jump.

Though losing in the G.I.A.A. State Meet A.R.C.'s Jimmy Pyle broke the G.I.A.A. record in the Javelin with a 178' 11½" heave.

A bright season is hoped for by the 1951 trackmen, who have their goal set on winning the State Championship.

Gold R Awards Won By Three Academy Cadets

Hobson, Rollins And Tommy
Douglass To Receive
Coveted Emblems

Those coveted Gold "R's"—symbols of all-round activity—have been won by three more Academy cadets, according to an announcement by C. G. Cordle, chairman of the Faculty Honors Committee.

The trio who have just won this recognition for their achievements are Tommy Douglass, son of Mr. and Mrs. E. L. Douglass, of 2645 Henry Street; Roy G. Rollins, son of Sup't. and Mrs. R. E. Rollins, of 1114 Adrian Street and Ronald H. Hobson, Cadet Lt.-Col. and Son of Col. and Mrs. Howard M. Hobson, of 2041 Wrightsboro Road.

Earlier this year—back in November—three other cadets were honored by election to membership in the Gold R Society. Adrian M. Cohen, Zachary M. Kilpatrick, and Ollie O. McGahee, Jr.

Requirements for membership include a scholarship average of 80 or better, "points" for participation in various extra-curricular activities, and character standards of a high type. There may be another "election" before the semester is over. Interested Academy seniors should list their achievements and make application with Mr. Cordle.

Military Ball To Be Held April 27

Who is she?
Only 53 days more and the Honorary Cadet Colonel will be named at the Fourth Annual Military Ball. The dance, to be held in the Municipal Auditorium on Friday night, April 27, is under the sponsorship of the Sahre Club. The officers are making every effort to obtain a good orchestra for the big event.

The main attraction of the Military Ball has always been the naming of the Honorary Cadet Colonel, a selection based on voting by all the cadets, who vote for the girls of their choice two weeks before the dance. The ten selected are brought onto the stage on the long-awaited evening and one is named.

Yes, everybody is wondering who the Honorary Cadet Colonel for 1951 will be.

"Correction, Please!"

We offer our apologies for a number of mistakes which appeared in "A Page From the Officers' Album" in the last issue of The Musketeer.

The name of Dorothy Owen, sponsor for Cadet Captain Bill Cheesborough, appeared as Owens with an unnecessary "s" at the end of her name.

For some unexplainable reason,

Has Fine Record

The girl valedictorian of Richmond Academy—the first one in the school's history of more than 150 years—this year is to be Helen Harris, daughter of Mr. and Mrs. J. M. Harris, of 1117 Hickman Road, according to an announcement by President E. W. Hardy.

Helen has been active in many things—both at Tubman, from which school she transferred this year to the Academy—and here in the Old Historic At Tubman she was a member of the Latin Club, the Spanish Club, the National Honor Society, the Quill and Scroll Journalism Society and the staff of the Tubman Times. At Tubman, too, she was a member of the student patrol, a member of the class council, and she took part in intramural sports. She won the black and gold T Citizenship Award at Tubman her first year there, and the silver T at Tubman last year.

This year at the Academy Helen is a member of the annual staff, and a member of the Beta Club. While she has not definitely decided on the type of activity she will go in for after she gets her diploma this year, it is understood that she intends to continue her education (she has not been "interviewed" about her plans yet, as this is the first announcement of the fact that she is one of the valedictorians) at some college, perhaps the Junior College.

Beverly Smith, sponsor, for Cadet Lt. Richard Putnam, was listed as the sponsor for Cadet Lt. Edward Drake.

The clause stating that Anne Menget is the sponsor for Cadet Major James Rowland was omitted.

Of course, everyone makes "mistakes," but we hope that no more such mistakes will be found in The Musketeer any time soon.

DAVID VOSS

David Voss Named 'Boy' Valedictorian

Male Academy Honor Grad
To Attend J. C. A.

The male member of Richmond Academy's "twin" valedictorian team this year is David V. Voss, son of Mr. and Mrs. John D. Voss of 336 Ellis Street.

Announcement of David's selection for the honor of speaking for the boys of the Academy was made by President E. W. Hardy, after figures compiled by C. G. Cordle of the Faculty Honors Committee were turned over to him.

David entered the Academy in 1947 as a transfer student from Decatur Boys' High, when his father, who is commercial agent for the Atlantic Coast Line Railway, was also transferred to Augusta.

The Academy's masculine valedictorian first saw the light of day in Sandersville, Georgia, in 1934. He is a member of the Academy Beta Club, and is planning to take an Arts course in the Junior College before specializing. In fact, David was overheard saying some time ago that he'd like to have a scholarship to the Junior College. Now that he is slated to be one of the two high school valedictorians this year, there should not be much difficulty about that.

D. E. Group Hopes To Bring Back Trophy

Members of the Distributive Education Program at Richmond Academy are making preparations for representation at the annual convention of the State Distributive Education Clubs, which is to be held March 4-6 at the Dempsey Hotel in Macon.

Betty Bennett, of the Richmond club, has been selected as master of ceremonies of the Georgia D. E. Clubs.

Appearing also on the state program will be Henry Walters and

EUGENIA HIERS

JCA Valedictorian Is Eugenia Hiers

President Hardy Announces
Award Of Honor

The valedictorian for the Junior College sophomores this year is to be Martha Eugenia Hiers, according to an announcement by President E. W. Hardy.

No figures are available as to how many boys and how many girls have been accorded this honor since the Junior College began operations back in 1926. Perhaps the figures are about the same for each group. Anyhow, when Mr. Cordle's honors committee had finished calculating the averages for all Junior College sophomores through the middle of this year, there was no doubt about it.

And no doubt, Eugenia will have some mighty interesting things to say to her fellow graduates, after she casts about for a suitable topic for her remarks. The J. C. A. valedictorian, who is the daughter of Mr. and Mrs. L. G. Hiers, of Peach Orchard Road, has had a straight A-plus average this year. Incidentally, she has been a valuable member of the Annual staff for the past two years. At Tubman she was a member of the Honor Society.

Next fall Eugenia expects to enter the University Hospital for training as a laboratory technician. Beyond that, she's making no predictions.

Bill Lee. Together they will provide the music at the luncheon on March 5.

This year the Richmond group has fixed its "sights" on the top award for club reporting in "Trade Winds," the official publicity organ of the State D. E. Clubs. The local club has won this award for the past two years. If the trophy is won again this year by the local club it will become the permanent property of the Richmond club.

Graduation To Be Different Affair, Says Mr. Markert

Auditorium Stage Won't
Seat The 400 Who
Get Diplomas

There'll be some changes made.

Yes, this year, because of the increased number of graduating students, there will be a few changes made in the graduation program. The Academy graduating class now consists of both boys and girls. Including the Junior College sophomores and Academy seniors, the number graduating will be more than four-hundred.

According to Mr. Markert, the program itself will be much the same as before. The main things will be the short speeches by the valedictorians of each class, and the awarding of diplomas. Incidentally, this year, as noted elsewhere in this issue, there will be two high school valedictorians, one boy and one girl, representing the Academy graduating class, and one valedictorian, to represent the Junior College sophomore class.

The graduation will be held at the Municipal Auditorium. The graduates will sit in the first eight or ten rows downstairs, since there is not room for them all on the stage. The Academy boys will wear their uniforms and the Academy girls will wear white nylon robes. The Junior College graduates will wear blue robes.

Music Appreciation Now Being Offered

Singing Group To Begin Work
Soon On Operetta

There is a "new look" and especially a new "listen"—in the music classes this semester.

In the first place, two new classes in Music Appreciation have been scheduled for those students who wish to become intelligent listeners. The Richmond Choralists, who previously met on Monday nights now have a class period in which to "make music." The Treble Clef Club, which is the girls' choir, meets during the fourth period, while the Choralists meet during the third.

The singing groups have been invited to present a program of religious music in assembly prior to the Easter holidays. Furthermore, rehearsals will begin very soon for the Gilbert and Sullivan operetta, "Trial by Jury," to be presented some time in the spring. Keen interest is developing about this entertainment—particularly with regard to those who will be chosen for the principal singing parts.

A Poor

or A Wise

WHICH WILL YOU BE

10 YEARS FROM NOW?

The easiest thing, of course, is to be a fish. That requires no talents . . . no plans for the future. All you have to do is "drift along and dream" and hope you strike it rich. Usually, the years slip by and suddenly you wake up to find that all you have is dreams.

On the other hand, the smart fellow . . . the fox . . . knows that the only way to get ahead and stay ahead is to work and plan and save.

That's why so many of them open their own savings accounts while still in school. They know that regular systematic savings now can mean a college education . . . a car . . . marriage . . . a home . . . and a business of their own later on. They are the ones who are always going places and doing things

If you're not already a member of this group, join now!
